Eagle Point, Oregon December 1, 1939

## IMPORTANT SCHOOL MEETING SCHEDULED

### NEW EQUIPMENT PURCHASED

In a special meeting called by the President Dave Hannafor, the students decided that the basket ball boys should be dressed up in new suits. They also decided to purchase a first aid kit. Evidently they think that first aid will be necessary.

The S. A. A. decided to "chip in" with the Student Body on a new make up kit. After all, what's a play without lines and color?

The Staff looking for a Scoop

### VOTERS URGED TO ATTEND

The Jackson County School District Reorganized Board will hold a public meeting here this evening, Friday, December first, according to word received from its secretary, C. R. Bowman.

All voters from this section of the country are urged to attend. Representatives from all near by school districts are expected to be present, but the meeting is in no way restricted to school officials. It is expected that the size of the attendance will require the use of the gymnasium, since the class room assembly is too small.

This is one of several regional meetings being held throughout the county. Already meetings have been held at Central Point and Rogue River. The Reorganization Council was created by an act of the last legislature and is charged with the drawing of new district lines for the purpose of consolidation. The relative merits of a single county wide district as compared to the consolidated districts may receive some consideration, and school patrons who have any questions to ask along this line will have an opportunity to have them answered. (continued on page 2)

### BASKETBALL FOUNDER DIES

Monday Mail Tribune carried an article regarding the recent death of Dr. James Naismith. Heart Ailment at the age of 78 caused the death of the "father of basketball".

In 1891 with two peach baskets as equipment he initiated basketball as a winter sport for the youth of the YMCA at Springfield Mass. There were nine men to the team and the baskets were on the floor. Later he elevated the baskets and reduced the number of players. Many of the original rules are still in effect, but he could not keep up with the new ones

## THE STAFF

Editor-----Eddie Dahack  
 Assistant Editor---Joan Holmes  
 Business Manager---Eddie Dahack  
 Printing Manager---Sandy Clavo  
 Artist-----Martin Burke  
 Sports Editor-----Louis Walsh  
 Sponsor-----V. W. Hay

The Eagle's Quill is a student publication, printed semi-monthly by the students of the Eagle Point Schools. The subscription rate is twenty cents a semester or thirty-five cents per year.

Our policy for this year will be: to serve our readers with an accurate account of activities and happenings in our school and community and, by so doing, to make friends, to give publicity to students who achieve and, at the same time, to serve as an outlet for student talent.

## EAGLE'S QUILL WELL RECEIVED

The Eagle's Quill Staff were the recipients of many complements on the success of the initial issue of our paper. That helps to repay for some of the time and effort expended.

This issue takes on a slightly better appearance. Do you notice the difference? This is partly a result of some new mimeograph equipment purchased since the last issue was put out. The J. K. Gill Salesman helped us with some of our printing problems. He drew the eagle on the front page of the issue to show us how it was done. (He took away about twenty-five of our hard earned dollars too!)

We still need a new mimeoscope. What benefactor is going to arise and provide the twenty eight dollars and seventy five cents needed to buy this item? Speak up please!

## EAGLE'S QUILL BUDGET

Actual Income	
Subscriptions to date----	26.30
Adds to date-----	16.50
Additional Expected Income--	15.75
Total	58.55

Expenses	
Paper for year-----	10.00
Stencils-----	16.88
Ink-----	5.50
New Equipment-----	14.00
Circulation Contest-----	2.50
Postage-----	7.00

Total	55.88
-------	-------

## WHO SOLD THE SUBSCRIPTIONS?

Meryllyn Perry-----	21
George Walker-----	6
Sandy Clavo-----	1
Quenton Lewis-----	2
Eddie Dahack-----	39
Dorothy Young-----	6
Leila Mc Graw-----	3
Total	81

We the staff would appreciate it very much if we could have a little more support from our fellow students on the subscription problem. If every student would do his part and subscribe it would help boost our sales very much. So do your part and subscribe.

## P. T. A. NOTICE

There will be a P. T. A. meeting Friday, Dec. 8 at 3 P. M. in the Science room in the Grado School building.

Special entertainment will be provided by Mr. Hay and students.

Judge Day and Assessor Coleman will be present and take parts in the discussion. Other members of the board who will probably be present are A. C. Brockway, C. R. Bowman, Arnold Bohmert, Stewart Weeks, and J. R. Mc Crackin.

## PERSONALS

There are quite a few students absent from school yet. We hope they will soon be back in school.

Mr. and Mrs. Victor Hay and children left Wednesday to spend Thanksgiving with Mrs. Hay's people in Portland.

Mr. Davies enjoyed the better part of a football game Thanksgiving Day.

Mrs. Hurd and Janet spent Thanksgiving with Miss Olson and her family.

Ed Ganly Clave and Mike Van Scoy went duck hunting in Klamath Falls Sunday. (They brought home one duck.)

Mrs. Harry Carlton spent the week end with Mrs. Lottie Van Scoy.

Mrs. Royal Brown entertained her son, Carl Taylor, and Mrs. Taylor over the Thanksgiving holiday.

Principal F. V. Barrett of Halsey, Oregon, and son, Mike, called on friends in town Saturday.

Lucille Hurst, who is working in Eugene, spent the week end in Eagle Point.

Mary Harnish spent Thanksgiving with her friend, Edith Hoeft.

Mr. and Mrs. George Holmes and daughter, Joan, entertained relatives Thanksgiving Day. m. n.

## POISONED

I tried to turn. Oh how it pained, how dreadfully, terribly, awfully---it hurt. I simply couldn't bear it. I must see my doctor. How awful! Oh! why, was the phone so far away from me? I reached, pulled, stretched myself over the

side of my bed. How Miserable I felt! Now what is his number-ohh, me-----1--8--1--2--

"Dr. Do Little? Oh, Doctor come over right away, I think I've been poisoned. My stomach it pains so, and I, I can hardly bear to move from my bed.

I heard a funny noise in the receiver. It sounded like laughter, but, no, the doctor couldn't be laughing.

He laughed, yes, he laughed, actually roared into the phone. "Oh, Doctor, how could you?" I said to myself. On and on he roared. Finally I thought him hysterical.

I inquired, "Is it so terribly serious, doctor?"

"Serious!" he laughed again, "No the matter with you is simply--too much turkey.

A. K.

Johnny. What was the large bundle you were carrying today?

Gus. That was my new strong box. Johnny. What are you going to keep in it?

Gus. Limburger cheese.

Lee. What is the difference between vision and sight?

Elmer: What?

Lee. Well, you can flatter a girl by calling her a vision, but don't call her a sight.

## "WHAT'S NEW"

The Lab is taking on an agricultural atmosphere. A lemon tree is one of the main decorations. Several plants are placed about the room, some for decoration and some are the domestic type. They are for use in an experiment.

The windows of the school house are all bright and shiny now. Every mark of Halloween has been washed off.

The baseball boys ought to be very proud of themselves. A new baseball trophy is decorating the Assembly Room.

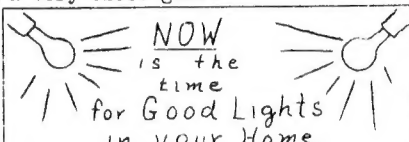

Are the book worms happy now? There have been added, approximately, eighty new books to the library.

Another improvement. The lights are now burning brightly in the GYM. (except when they're out)

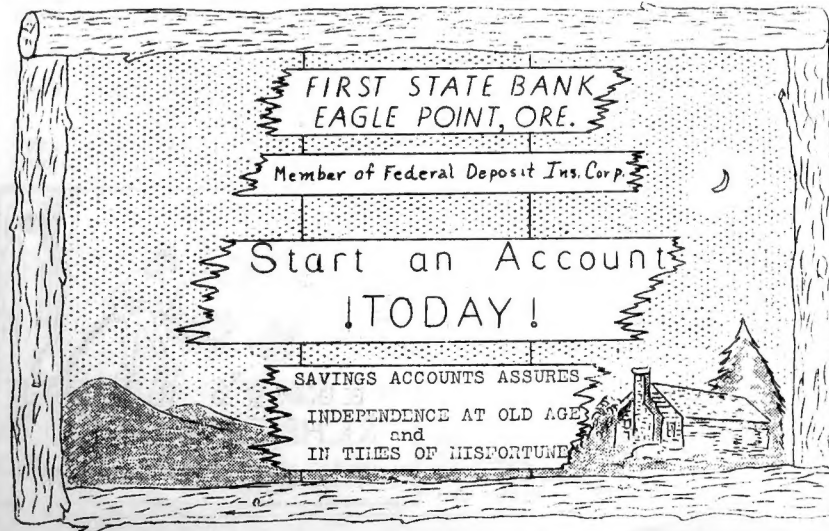

Sam. Who called this afternoon?  
 Betterhalf. Only Aunt Sophie.  
 Sam. Well, she left her pipe.

## FROSH LOSE TWO GAMES

The Eagle Point frosh lost to Prospect frosh by a score of nine to thirteen. Prospect took an early lead and held it all through the game. Due to the lack of team work and playing ability, the local boys didn't make a very good showing. Carlson at guard didn't seem to be in the right position, but he turned in a fine game. The frosh make a better showing at Butte Falls where they were defeated fifteen to sixteen, but played a very close game.

## Fresh Items

The Wednesday Science Class was a very smelly situation. The teacher, Mr. Hay, was unable to be there so the class proceeded to make chlorine gas. Mrs. Clave was teacher.

The first few days, the freshmen stood up better in attendance than any other group, but we find that the record is gradually falling. However, we hope that it will pick up.

How Many Pictures Were Sold?

	Fresh
S.	
Jr.

## "AN' SO IT GOES"

Audrey and Willis sitting on the window sill.

Dave H. giving his hair an extra slick on account of a Junior Lady.

Quenten reading the College Sports section as if he had money invested.

Beatrice Caster taking an extended vacation.

Vacation "Daze" not helping the attendance much.

Sandy meeting Santa Clause in Craterian theater the other day.

Mr. Hay needing a bright light to think of bright things.

The Staff finding by experience that it is quite a job to put out a paper.

Mr. Davies fretting over the mess in his own office.

! DANCE!  
Sat. Nite, Dec 2  
GOOD MUSIC

The flu had a bad effect on the junior class. Audrey Knighton was the first to suffer. After her, Marie Davidson, Alfred Sheehan, Lucile Vicaux, Willard Welch, Harry Troy, Martin Burke, and Martha Abel went the way of all flesh and succumbed.

The minstrel was a great success, due to the fact, we think, that three juniors were singing in the chorus, Eddie Dahack, Lucile Vicaux, and Audrey Knighton. Three juniors helped further by playing in the orchestra that night too. They were Joan Holmes, Lucile Vicaux, and Marie Davidson. Eddie Dahack really went to town that night and did he make a hit with that cute tap dancer! We thought for a minute that she was going to pop him one. But really now, where would this high school be if it didn't have the junior class to help in its programs?

We are beginning to worry over our six week's tests now. We juniors are so busy that we never have time to think about studying until the day before the test comes; and then we find it quite difficult to learn six week's work in that short time.

Dave. We're getting up a raffle for a poor old man. Won't you buy a ticket?  
Betty. Oh no! What would I do with him if I won him?

## SENIOR CLASS

The Senior Class greets you! Here we are, sort of fluey; but we're here anyway.

This so called epidemic has been thinning our ranks and leaving us all unable to enjoy Thanksgiving. It may be flu to the doctors but to us it's a pain in the neck.

We haven't been doing much the last couple of weeks as our leaders have been fluey too.

Still we sell candy. Our pop has fallen by the wayside. It is too cold to drink pop anyway.

Well, I guess this is about all for this time. Maybe the reporters and other people won't be so fluey next time.

A Scotchman recently sued a baseball club because he was hurt while watching a ball game. He fell out of a tree.

Laugh and the world laughs with you; weep and you weep alone.

7-8-4  
Grade  
News

We have been decorating the blackboards and windows of our room for Christmas.

There are only eleven students in our room now, due to either sickness or to much turkey.

The fifth and sixth grade program was enjoyed very much as was the popcorn.

A very "beartiful" odor came from the science room last Wednesday. Hereafter if rotten eggs are on the menu for Thanksgiving, "enjoy" them at home.

## SANTA to VISIT EXTENSION UNIT

The regular meeting of the Home Extension Unit will be held on Dec. 19 at the home of Mrs. Ed Chamberlain. Each one attending is asked to bring a gift to cost no more than fifteen cents.

*Soph Notes*

Since most of the class have been enjoying the flu, the attendance has been quite low. Because of this reason the news is very scarce. Almost everyone in the class had a few days to spend at home with the doctor and his prescriptions, trying to recover so ~~they~~ would be able to enjoy Thanksgiving.

Some of our class notes are re-  
~~lations~~ and now think the 23rd was the wrong time for "Turkey Day". They now want, as a special political favor, another holiday so they might celebrate Thanksgiving the day they think it should be celebrated. Maybe it's that they were unable to eat last Thursday. There is only one thing wrong with this date and that is it leaves only 25 fasting days til Christmas---that is, if the President doesn't postpone Christmas until later.

## CURTIS SALESMAN VISITS HIGH SCHOOL

If people of the community are approached by high school students asking, "You don't want to buy a magazine do you?", don't be surprised. That is the way how not to sell magazines according to the Curtis Publishing man who called on the High School on Tuesday. The school is divided into two teams each expecting to sell more magazines than the other.
